

EOL and Replacement Information for LTE153-6000

PBN is announcing the End-Of-Life (EOL) for the LTE153-6000 series product due to the key components EOL in this model. The last day to order the affected product(s) is 31 Dec 2022 while supplies last.

Customers with active service contracts will continue to receive support from PBN as shown in Table 1 of the EOL bulletin. Table 1 describes the End-Of-Life milestones, definitions, and dates for the affected product(s). Table 2 lists the product categories affected by this announcement. For customers with active and paid service and support contracts, support will be available until the termination date of the contract, even if this date exceeds the Last Date of Support shown in Table 1.

Table 1. End-Of-Life Milestones and Dates for the PBN LTE153-6000

Milestone	Definition	Date
End-Of-Life Announcement Date	The date of the document that announces the end of sale and end of life of a product.	20 Sep 2022
End-Of-Sale Date	The last date to order the product through the PBN order desk. The product is no longer for sale after this date.	31 Dec 2022
Last Ship Date	The last ship date that can be requested of PBN. Actual ship date is dependent on lead time.	31 Jan 2023
Last Date of Support	The last date PBN provides service and support for the product. After this date all out-of-warranty support services for the product are discontinued, and the product becomes obsolete.	31 Dec 2023

Table 2. Product Part Categories Affected by this Announcement

End-Of-Sale Product	Description	Replacement Product	Description
LTE153-6000	Externally-modulated Laser Transmitter for 1550 nm Wavelengths	LTE153-8000	Externally-modulated Laser Transmitter for 1550 nm Wavelengths
